## About us

We are a registered charity and have been established in Colchester since 1968. We provide fundamental support to the voluntary and community sector and establish relationships between voluntary and statutory groups and well as guiding local projects.

## MEETING AND CONFERENCE SPACES

Bright and airy, the rooms are based both on the ground and first floor and vary in size. Each of which comes with basic furniture, Broadband and Wifi, and access to a fully equipped kitchen.

Our friendly front desk team will take care of all your reception needs from the meeting and greeting of all your visitors, telephone answering to a post in / out service (additional services can be provided with prior arrangement).

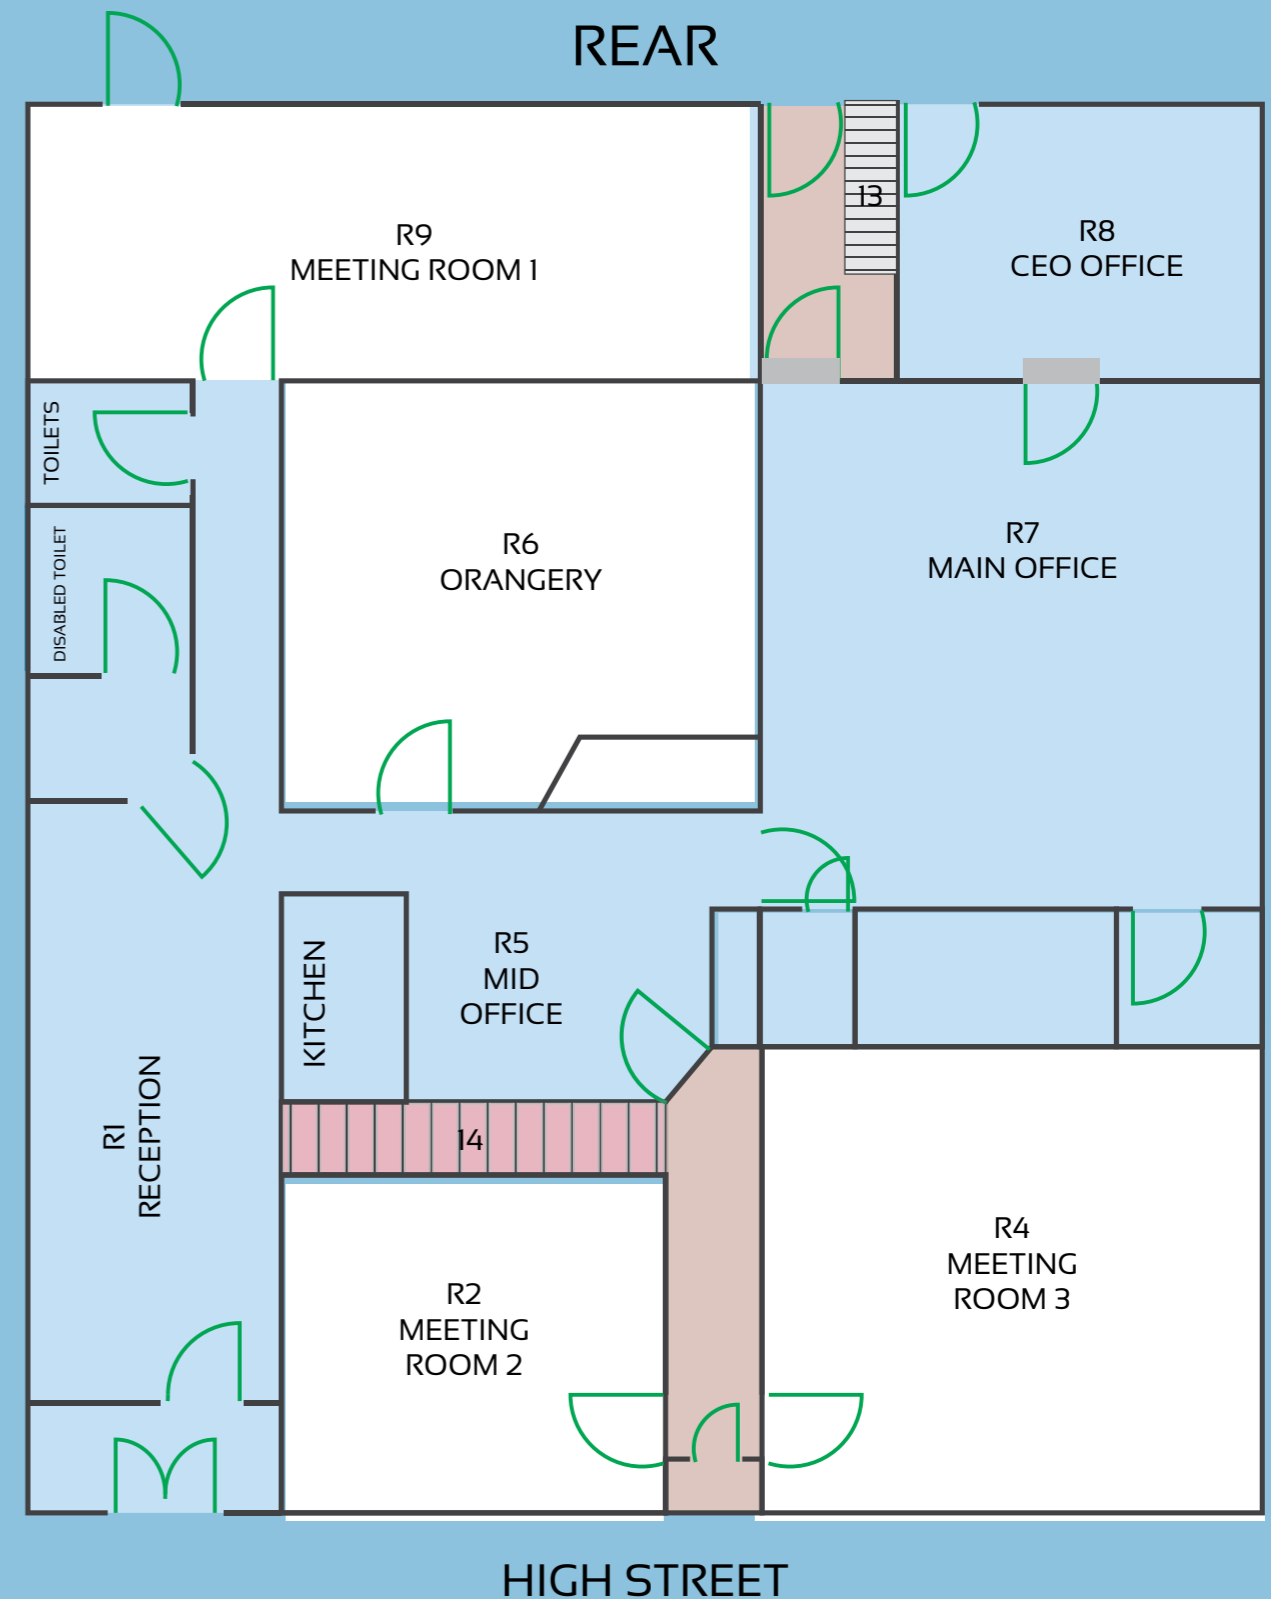

## OFFICE AND HOT DESKING SPACES

From a private office with a few desks, to a suite of rooms, we have flexible serviced office space for rent from as little as a day, or stay for longer and personalize your space to suit the needs of your business.

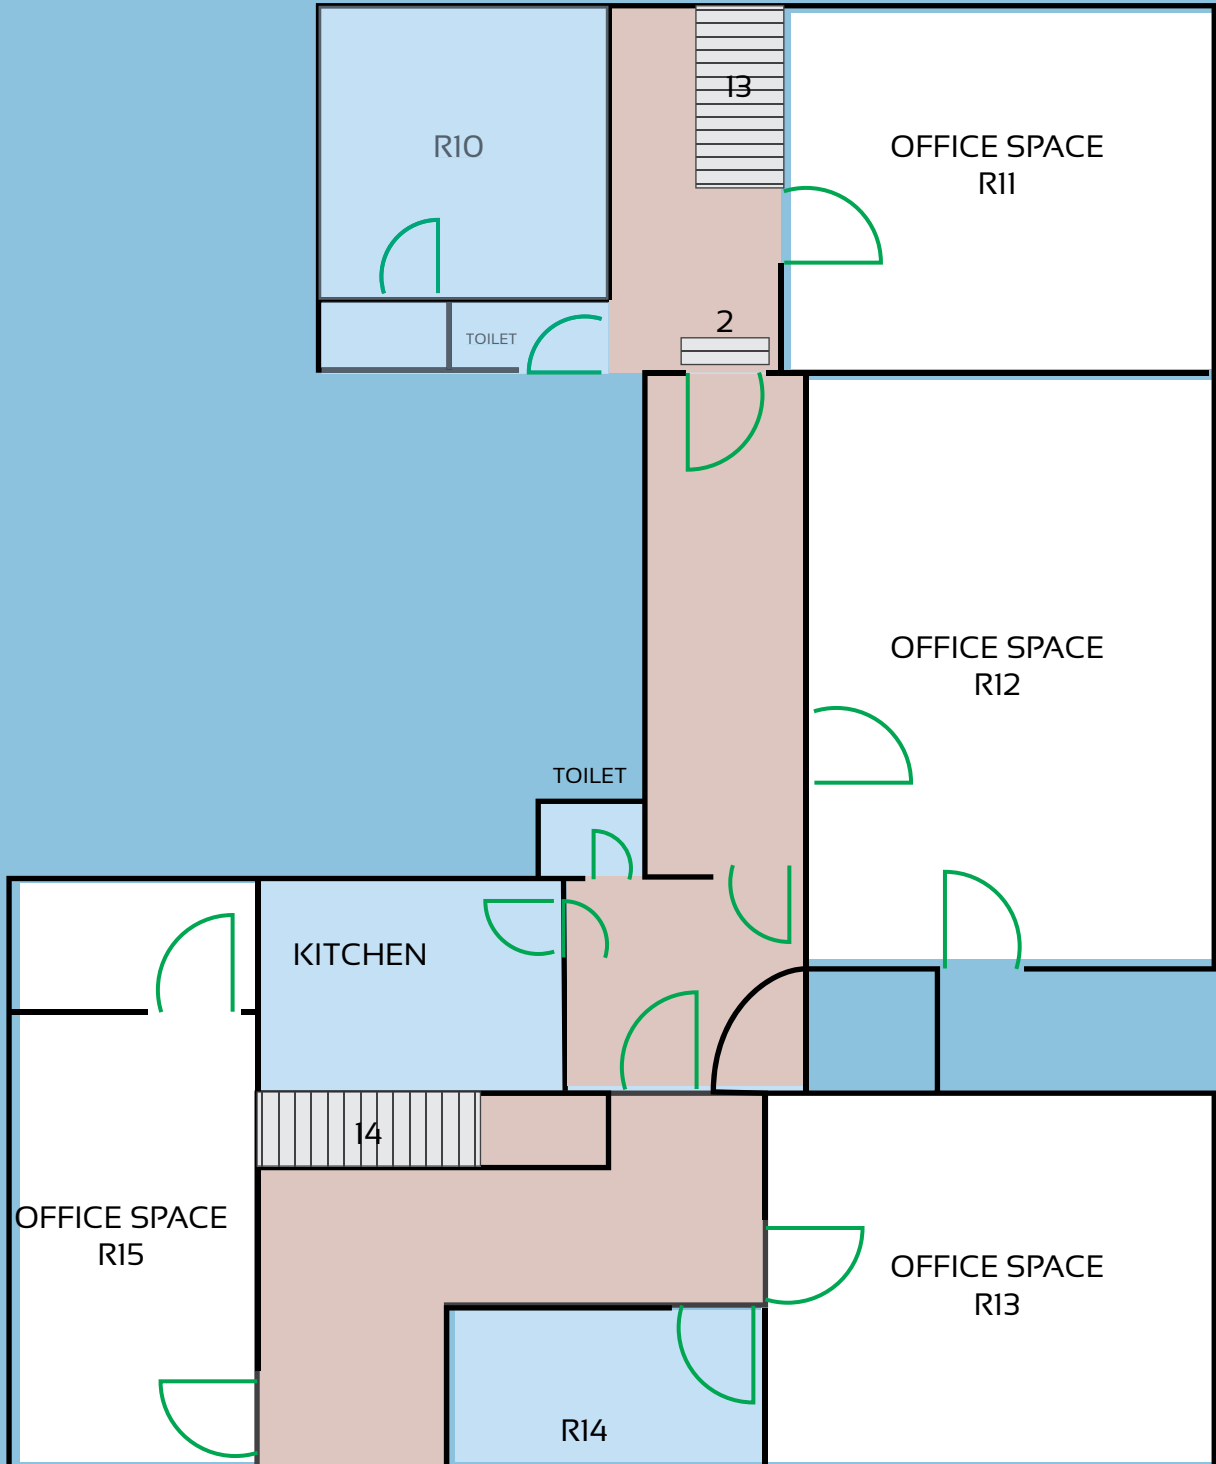

Our range of office spaces offers great flexibility of office accommodation. Whether you are a new business looking for a start up space or a larger organisation who would like to bring the members of your team together.

Our friendly front desk team will take care of all your reception needs from the meeting and greeting of all your visitors, telephone answering to a post in / out service (additional services can be provided with prior arrangement).
