# FREE EXERCISE CLASSES FOR PEOPLE WITH ARTHRITIS

## Classes available across Basildon and Braintree

**Versus Arthritis** are working in partnership with Active Essex to provide **free** group exercise classes for people with arthritis and musculoskeletal conditions.

A range of accessible classes are available, delivered across a free to access 12 week programme.

All sessions are delivered by experienced and fully qualified instructors who have been trained to understand the needs of people living with MSK conditions and how to support them to build activity into their lives.

*Find out more about sessions in your area overleaf.*
