Have your say on plans for the new Garden Community

Latimer by Clarion Housing Group, are
developing plans for the new Garden
Community in Colchester and Tendring District

**We want to hear your views on the emerging
proposals**

Take part in our consultation

We will be holding our first round of public exhibition roadshows starting in September. You can get involved by joining one of our roadshow events, an online webinar, or find out more information through our dedicated project website.

Your feedback will help to develop the Garden Community plans which we will be presenting to residents through further rounds of consultation later this year and next.
