The Community Micro-enterprise Project Directory

September 2023 edition

The Community Micro-enterprise Project Directory

What is a Community Micro-enterprise?

A Community Micro-enterprise is a small, local business, that offers a service to support:

- **Older people**
- **People with a disability**
- **People that want to improve their mental health & wellbeing**

A Community Micro-enterprise gives you more choice about your care as it offers something different to traditional support services. They can offer a wide variety of support to help meet your needs:

- **Support at home - personal care, meals, cleaning, shopping, running errands**
- **Support you getting out and about in your community - activities, hobbies, therapies, learning new skills, day services, peer support.**

Community Micro-enterprises are flexible and personalised to help fit around what you want and need.

What to do if you would like to use a Community Micro-enterprise

As you are organising your own care and support independently, without us doing this for you, it is very important to:

- **know exactly what it is you want from the service you are paying for.**
- **know about the Community Micro-enterprise you would like to use.**

Our checklist can help you think about what to consider.

Checklist

Firstly, you need to have a clear idea of:

- **what support you need**
- **how you want it**
- **when you want it**

Secondly, you need to get to know the Community Micro-enterprise. Always make sure that your Community Micro-enterprise has the basics:

- **A Disclosure and Barring Service (DBS) Check**
- **Insurance**
- **Safeguarding Training**
- **Business Registration**

Other things to think about

Depending on what support service you need, here is a list of other things you may need to think about when looking into the Community Micro-enterprise you are interested in using.

- Specific training
- Policies & procedures
- Risk assessments
- Terms and conditions
- Invoicing information

Home Freedom

Clutter can easily accumulate in the home over time, even before you have consciously realised that it is happening. If you have a tendency to hoard items, we can visit to discuss with you which of these items should be discarded and which of them should be kept. We will make sure that any concerns you have about the clean – like, perhaps, the fear of losing everything – are addressed before the clean itself takes place. We offer decluttering services for hoarders' homes, deep cleans, key safe installation and furniture moves. We cover the **whole of Essex**.
