

Halstead Dementia Friendly Community

Launch Event

Halstead has been approved as a Dementia Friendly Community, which means we can engage with local businesses and organisations across the town and award them "Working To Become Dementia Friendly" recognition - raising awareness and understanding, so that people living with dementia can continue to live the way they want.

We would like to share our success with you and re-ignite this initiative at a community meeting to be held on:

9th October 2023

5:30pm

Queens Hall

Chipping Hill, Halstead,
