

# Heart of Greenstead

Moving forward with you

The project focuses on redeveloping the area known as 'The Centre' where the Community Centre, Library and Co-op are, and will bring:

New, modern facilities, including a multiuse community hub

Safer, more accessible spaces for community use

Improved walking and cycling routes to the city centre

700 free bicycles for people who live in Greenstead

Up to 139 new or refurbished high-quality affordable homes (phase 2)
