

Volunteering

with Essex Pedal Power
Colchester

Do you have the time, energy and skills that will help
make your local area a better place to live?

Are you a people person, or a practical person who
likes to get hands on, to build and fix bikes?

Either way, we need you!

Essex Pedal Power Colchester has 800 bikes to Giveaway to
residents in local priority areas - helping them to access
employment and training opportunities and other key local services.

We're looking for enthusiastic volunteers to help us build and
mend the bikes as well as support at community events
from cycle training to led rides.

Do you have the skills that would help
Essex Pedal Power Colchester?

If so, call now for a chat!
