Dementia ACTION WEEK

Community Dementia Information Event

15th / 17th & 18th of May 2024

10 am - 4 pm

Braintree Village (formerly Freeport)

next to Costa Coffee

During Dementia Action Week, we invite you to drop in and **discover the support** available in **our community** for individuals living with dementia and their families. Whether you're seeking **information, resources**, or simply want to **connect** with others, our **knowledgeable experts** will be on hand to provide assistance and answer any questions you may have.

Together, let's take action to support those affected by dementia and build a dementia-friendly community. We look forward to seeing you there!
